Profile Summary

Dedicated and detail-oriented Network & Systems professional with hands-on experience in networking, security, and automation. Proficient in configuring and troubleshooting network infrastructure, including routers, switches, and firewalls. Well-versed in Cisco networking principles (CCNA), optical fiber networks, and MERN stack development. Passionate about building secure, scalable, and high-performance networks. Strong problem-solving skills, eager to apply technical expertise in a dynamic environment.

Skills

Networking & Security:

• IP Addressing Subnetting

• Network Troubleshooting & Performance Optimization

• Switching & Routing

• Firewalls & Security Policies

• VPN Configuration & Implementation

• Wireless LAN

• Network Automation

• NAT, QoS, Network Virtualization

Programming & Development:

• MERN Stack (MongoDB, Express.js, React, Node.js)

• RESTful APIs & Web Development

• Database Management

• Version Control (Git, GitHub)

Soft Skills:

• Analytical Problem-Solving

• Client Communication & Support

• Team Collaboration

Work Experience

Technical Assistant

Tech Box Tec Pvt. Ltd, Sukedhara, Kathmandu (October 2025 - Present)

• ICT Security

• Network Services

• Web Development

• Network Installation and Maintenance

• Cyber Security

Enterprise Support Assistant

Subisu Cablenet Ltd, Baluwatar, Kathmandu (May 2024 – October 2025)

• Provided L2/L3 networking support for enterprise clients, ensuring minimal downtime.

• Troubleshot and resolved network connectivity issues, enhancing system reliability.

• Configured routers, switches, and firewalls for secure data transmission.

• Assisted in network automation and implementation of security best practices.

• Collaborated with teams to optimize network performance and prevent outages.

Certifications

• Introduction to Cybersecurity (2025) - Cisco

• CCNA: Enterprise Networking, Security, and Automation (2025) - Cisco

• CCNA: Switching, Routing, and Wireless Essentials (2025) - Cisco

• CCNA: Introduction to Networks (2024) - Cisco

• Optical Fiber Certification (2024) - Subisu Cablenet

• MERN Stack Development (2024) - Nepal Mega College

Education

Bachelor in Computer Application (BCA)

Nepal Mega College, Babarmahal, Kathmandu (2021 – 2025)

High School (+2 Science)

Banepa Nist School, Banepa, Kavrepalanchok (2018 – 2020)

School Level (SEE)

Shree Mahankhal Secondary School, Bela, Kavrepalanchok (2005 – 2018)
